

# Program Overview

	Sunday March 18	Monday March 19	Tuesday March 20	Wednesday March 21	Thursday March 22
		SiliconPV 2018		nPV workshop 2018	
07:45		Registration	Registration	Registration	Registration
08:00					
08:15		Opening Session	Silicon Materials & Defect Engineering	Opening Session nPV	Opening Session nPV
08:30					
08:45		Passivating Contacts	Silicon Materials & Defect Engineering	Silicon Materials & Defect Engineering	Silicon Material
09:00					
09:15		Coffee Break	Coffee Break	Coffee Break	Coffee Break
09:30					
09:45		Keynote Lecture	Invited Talk	Passivating Contacts	Passivation & Contacts
10:00					
10:15		Tandems	Process Integration & Low-Cost Manufacturing	Extended Talk	Panel Discussion
10:30					
10:45	Lunch Break	Lunch Break	Special European Project Presentation	Lunch Break	
11:00					
11:15	Characterization & Passivation	Novel Passivating Contacts	Poster Session 3	Cell Production	
11:30					
11:30	Coffee Break	Coffee Break	IBC	Coffee Break	
11:45					
12:00	Characterization & Modelling	Characterization Multicrystalline Silicon & Modules	Coffee Break	Modules & Systems	
12:15					
12:30	Poster Session 1	Poster Session 2	Heterojunction & PERT	Closing Session nPV	
12:45					
13:00	Closing Session SiliconPV	Closing Session SiliconPV	Closing Session SiliconPV	Closing Session SiliconPV	
13:15					
13:30	18:00 Technical Tour	18:00 Olympic Museum 20:00 Conference Dinner			
13:45					
14:00					
14:15					
14:30					
14:45					
15:00					
15:15					
15:30					
15:45					
16:00					
16:15					
16:30					
16:45					
17:00					
17:15					
17:30					
17:45					
18:00					

11:30 - 17:30 Flash Tutorials for Young Scientists

17:30 - 19:30 Welcome Reception & Registration
